Curriculum Vitae

A practicing plastic surgeon with 15 years of experience in the field of aesthetics, a congress attendee and speaker worldwide, and an innovator in combining surgical techniques with cosmetic medicine for the greater benefit of patients.

CEO of the Daher Clinic located in the heart of São Paulo, Brazil. I work in both body contouring and facial procedures. I utilize cutting-edge technology and products to refine my results, along with techniques I have developed myself. I am part of the representation of national and international companies, as well as being a member of the aesthetic council committee of **LG Chem**.
