Curriculum Vitae

Dr. Peera Thienpaitoon, MD, is a plastic surgeon based in Thailand with over 18 years of extensive experience in open rhinoplasty. He specializes in both primary and complex revision rhinoplasty, with a strong focus on structural techniques, ethnic rhinoplasty, and achieving long-term functional and aesthetic outcomes. Dr. Thienpaitoon is the director of PSC Clinic and is affiliated with Praram 9 Hospital in Bangkok. He is also actively involved in clinical practice and surgical education.

He has been invited as a speaker and faculty member at numerous international academic conferences and professional meetings, sharing his expertise in advanced rhinoplasty techniques with plastic surgeons. His academic interests include surgical innovation, outcome-based rhinoplasty, and continuous advancement in aesthetic facial surgery.
