Curriculum Vitae

Yutaka Nakamura, MD, PhD, is a plastic, reconstructive, and aesthetic surgeon based in Nagoya, Japan, and **Director of KATACHI CLINIC**.

He received his MD from Nagoya University School of Medicine in 2012 and completed a PhD in Plastic and Reconstructive Surgery in 2020. He trained at Okazaki City Hospital and Nagoya University Hospital, serving as Assistant Professor before transitioning to aesthetic surgery.

His clinical and academic interests focus on eyelid surgery, ptosis, and outcome evaluation using data analysis and machine learning. In addition to academic publications and awards, Dr. Nakamura is actively involved in medical education through visual communication. He has authored educational manga and produces medical illustrations to enhance understanding of surgical concepts for both physicians and patients. He is a frequent speaker at national scientific meetings.
